TERMS OF CLEARANCE: As requested, OMB approves the field test portion only of this study. However, NCES does not have to conduct a 60 day comment period prior to submitting its plans for the full scale study, since they are already specified here, except for the decisions resulting from the experiments embedded in this field test. OMB appreciates the efforts of NCES and its contractor to explore new approaches to using incentives to address concerns about nonresponse bias in this and other surveys and looks forward to seeing the results of the related experiments from this field test in a timely manner in order to inform the full scale study design.
